Launching Visual Studio Lab

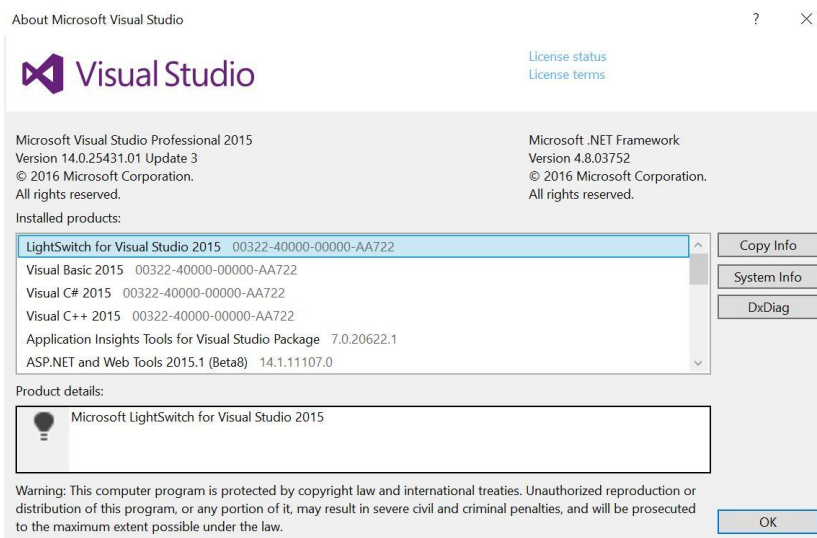

Graded Activity (10 points)

Launch Visual Studio for the first time. If you get prompted to sign in, select “Not now, maybe later”. **Choose the Visual C# Development Settings**. Select the color scheme you prefer.

Use the Snipping Tool to provide a screenshot of the Visual Studio Start Page after the software has fully launched.

In Visual Studio, from the **Help** menu select **About**. Use the Snipping Tool to provide a screenshot of the **About** page.

From the About page, click the **Copy Info** button and paste the contents here (blue font, please).
